Description

Standard hand brushes
Standard hand brushes from LESSMANN are used to manually remove rust, dirt and paint. The brush body has a dual hanging hole. The brushes are often used in the skilled trades, repair shops, industrial companies and by DIYers.

Brush body PEFC-certified
These brushes are fabricated with a PEFC-certified beechwood body, meaning they contribute to supporting sustainable, regional forest management.

Brushes in cut cases
Cut cases are perfect for presenting a relatively large number of products. The brushes can be quickly and easily integrated in a modular self-service wall.
