

Star grips with safety cable similar to DIN 6336, internal thread, Form KS

Item description/product images

Description

Material:

Star grip thermoplast, bush steel.

Safety cable elastic TPU.

Version:

Bush trivalent blue passivated.

Note:

Attach the safety cable to a base to make the star grip unlosable.

The star grip cannot be moved far from the object to which it belongs, simplifying screwing and unscrewing of the grip and ensuring against loss.

Assembly:

Do not stretch the band during assembly.

Make sure that the anchor is not too far from where the star grip is to be used.
